The Flying Cat Game: Your Next Scratch Adventure!

Game Concept Overview: Sky High Challenge

Collect the Food

Gather sparkling coins to boost your high score.

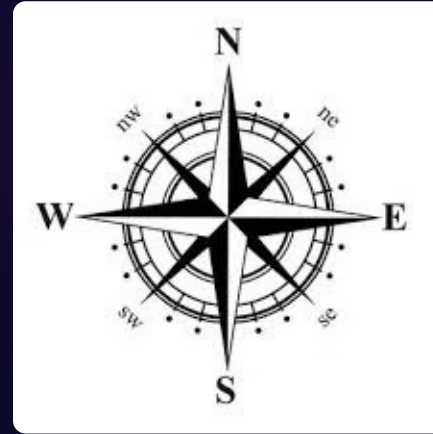

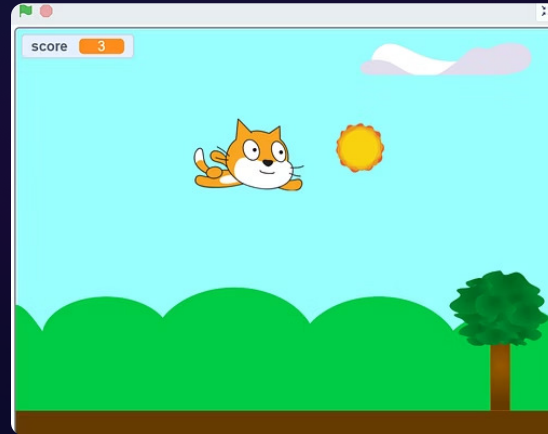

Dodge the Danger

Steer clear of pesky trees that will end your flight.

Core Gameplay Mechanics

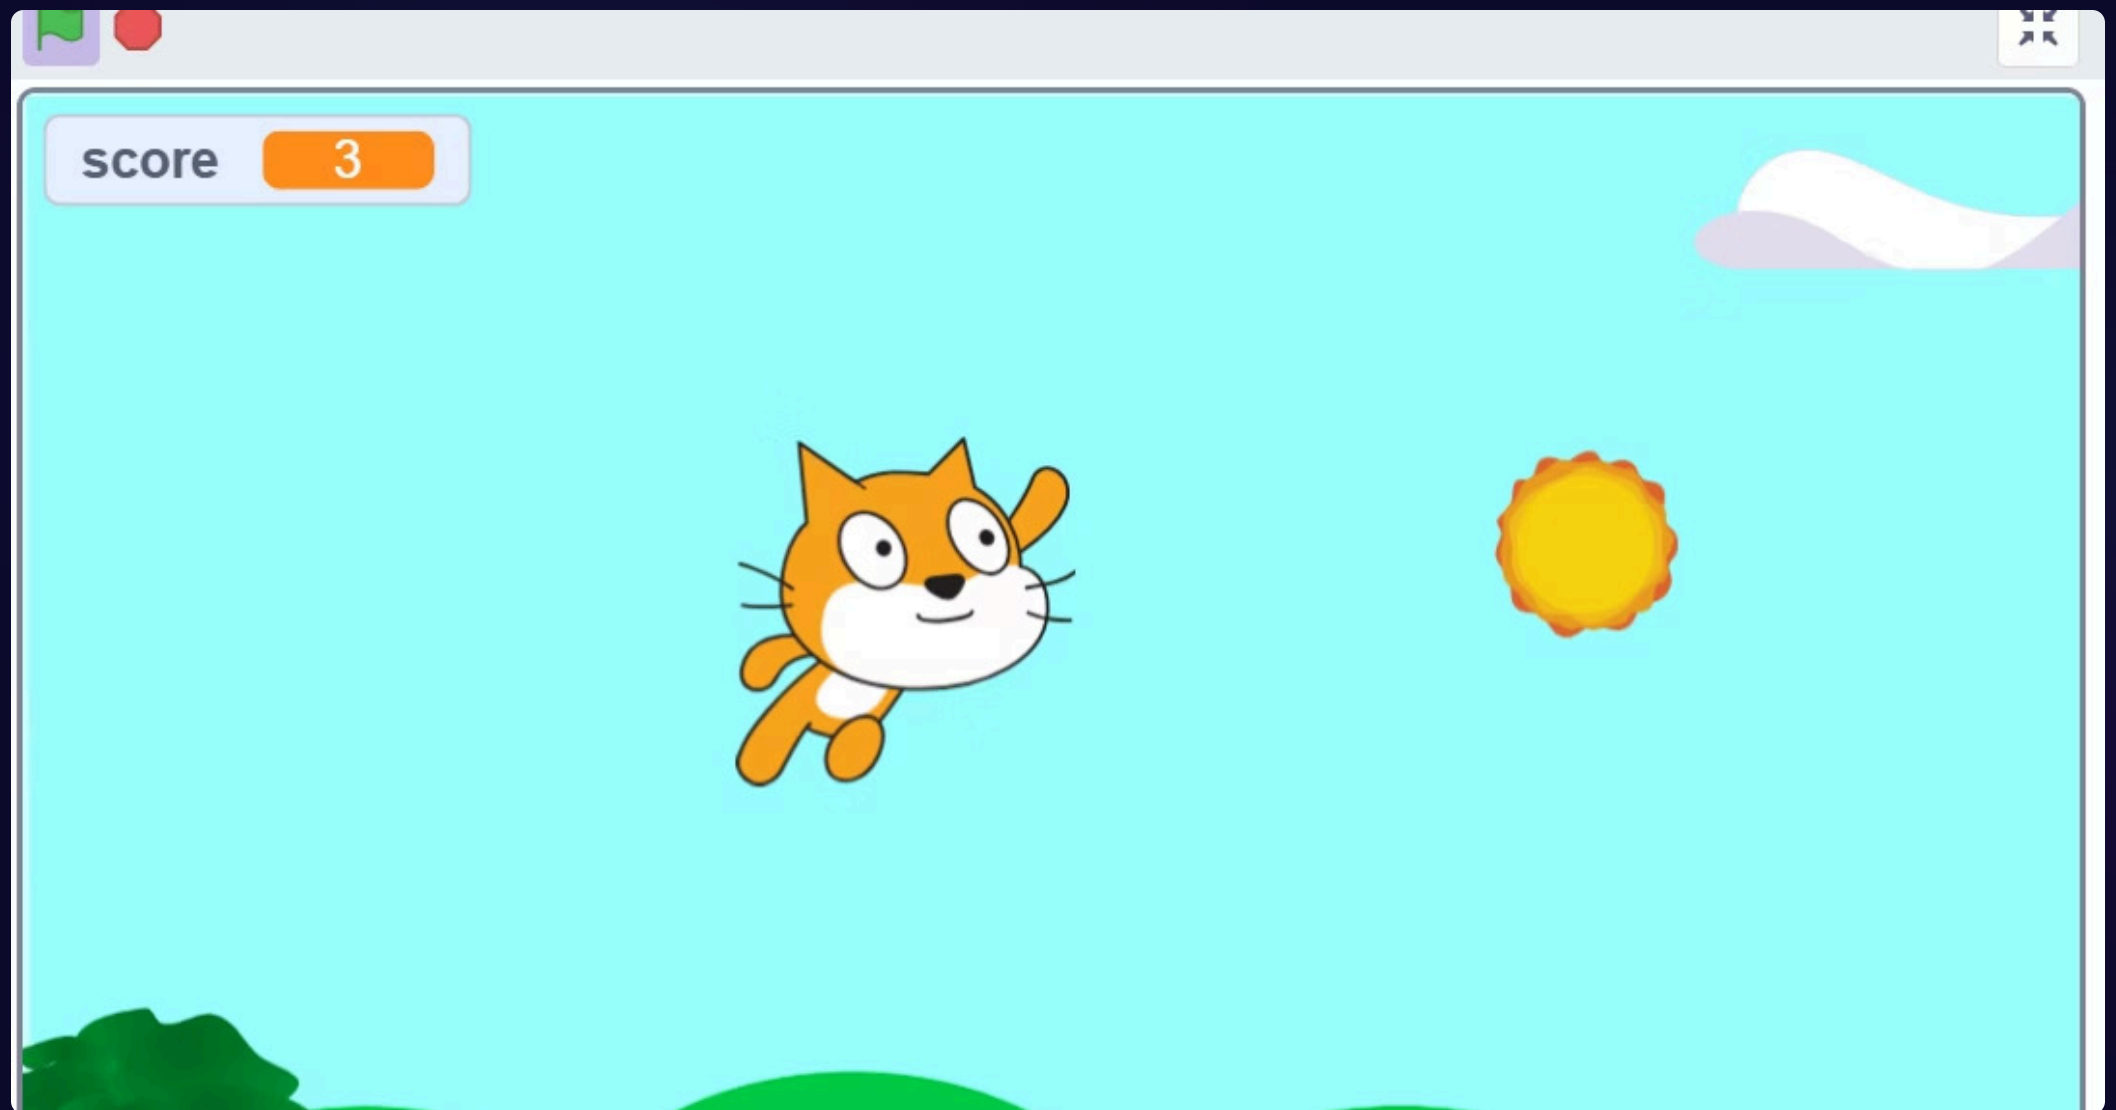

These are the essential rules and controls that make our game work.

Scoring and Game Over Conditions

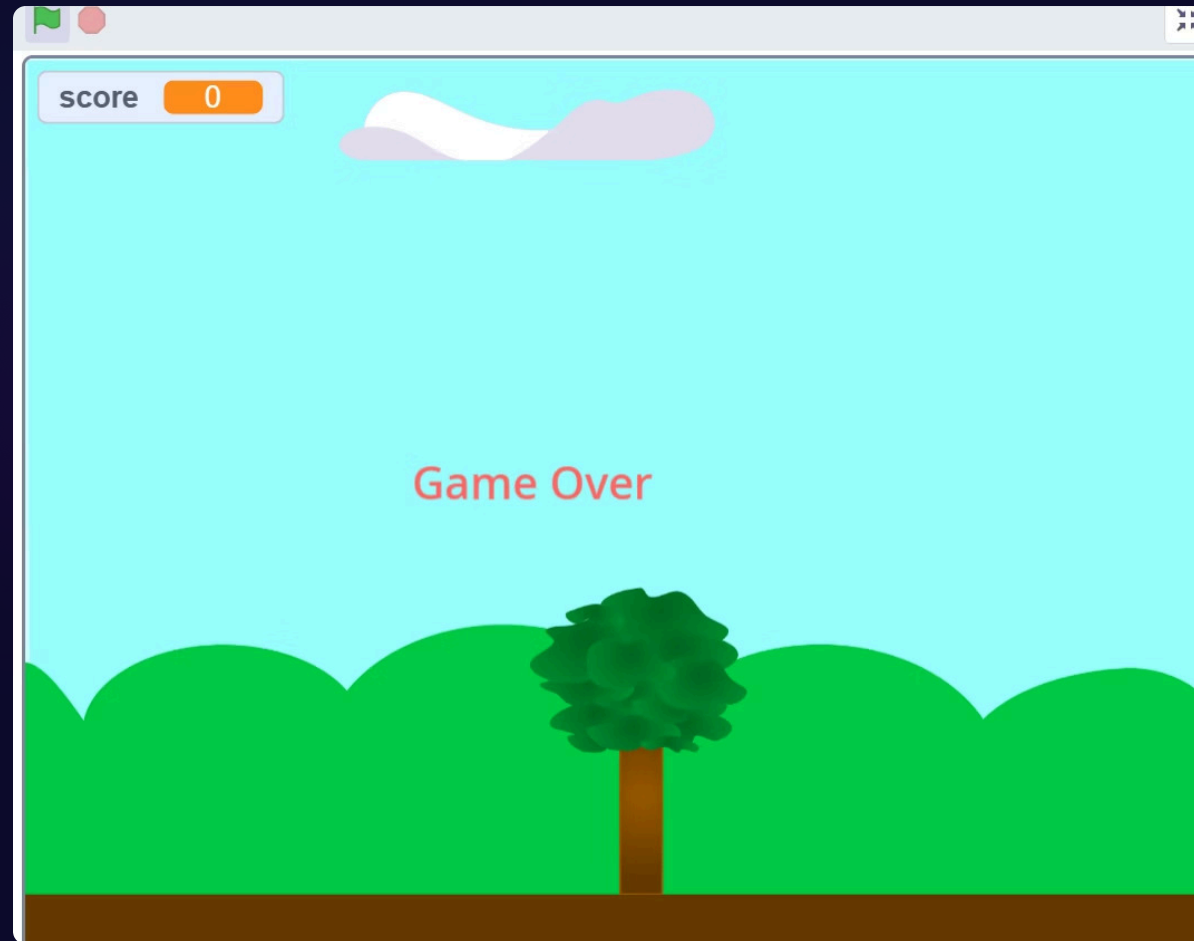

+1

Coin Collection

Game Over!

If the cat sprite **touches the tree obstacle**, the game immediately stops all scripts. This is the main challenge to overcome!

Thank You for Your Attention!

Do you have any questions about the game mechanics, Scratch coding, or future enhancements?

Happy coding!
